

THE FASHION CHARTS

Exciting new labels to watch, designer delights and hot high-street hits... this week's fashion charts are bursting with stand-out-from-the-crowd buys, all in stores now

1
Primark
 We're applauding the leg-lengthening effects of these two-tone black wedges from Primark's latest collection. Brilliantly, they're not cut tight to the ankle either, so they're flattering worn with skirts and dresses too. Result! £20, 0118 960 6300.

BEST FOR £20

2
Storywheels
 At Storywheels you can tailor-make bead bracelets to your own taste, to take a unique place in your jewellery box. Alternatively, you can leave the design to the pros and choose a ready-made style, like this beauty. £2,239, 01388 770870.

3
Dorothy Perkins
 The '70s vibe of this sexy clutch from DP's latest drop will up your fashion ante in an instant. Why not go the whole hog and team it with mega-flares and a belted cardie? £15, 0845 121 4515.
